

PET POLICY:

- Non-aggressive pets are welcome, and all pets must be registered at the Front Desk. There is a maximum of 2 pets on RV sites and a maximum of 1 pet in our designated pet-friendly cottages. Pets are limited to dogs and cats. No wild or exotic animals are allowed. Pet owners must have proof of their pet's current vaccinations.
- Noisy, vicious, or unruly pets are not allowed. Guests who are unable to control their pets will be asked to remove them from the premises, or the animal may be taken by local animal control authorities.
- Cabana Club and its Management / Owners are not responsible for and will hold the pet owner accountable for any injury or damage caused by pet(s). In addition, the owner of the pet that causes injury or damage is expected to resolve the issue directly with the injured party.
- Pets are the responsibility of their owner. Pets must be kept on a maximum 6-foot leash at all times while within the Resort, except while in the on-site dog parks. Pet kennels, pens, fencing, corrals, or crates, etc. are not permitted. Pets may not be left outside unattended.
- Pets are prohibited in ALL resort buildings, including restrooms, near the pool and splash pad, and at the Tiki Bar. Guests with dogs may access the small dog park from the west entrance near the large dog park.
- Pet owner must pick up and discard pet waste upon occurrence. All pet waste must be properly disposed of in a trash receptacle.
- Pets should not be left alone inside of a cottage or RV. From time to time, our Central Florida area has power outages due to lightning or other circumstances unrelated to our Resort Operations. Even though these events are infrequent, it could cause devastating consequences due to heat buildup if your pet is left alone inside.

PET COTTAGES:

- We have a small, designated number of pet-friendly cottages. If you are in a cottage that is not permitted for pets, please do not bring a pet into the cottage. Any additional cleaning or repairs due to having pets in cottages will be assessed and charged to the reservation holder.
- Pets are not to be left alone in a cottage as this can result in excessive barking, howling, or property damage. Leaving unattended pets may result in the guest being asked to leave the premises.
